Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, The Mystery of the Yellow Room, Gaston Leroux, Mark Valentine, David Stuart Davies, Introduced by Mark Valentine. The greatest French detective in his most fiendish case. Even if Hercule Poirot had been born a Frenchman, not a Belgian, he would have to take second place in detection to Joseph Rouletabille, the brilliant young sleuth created by Gaston Leroux. Here, in his first and most baffling case, the eighteen year old reporter astounds readers with his audacity and ingenuity. Who could have tried to murder Mademoiselle Stangerson, beautiful daughter of a famous radium scientist ? And how could they have entered and escaped from a completely locked and watched room ? With the Surete's top sleuth vying against him, Rouletabille is determined to prove only he can solve the case. This classic work of French detective fiction was much admired by Agatha Christie. As a connoisseur of the detective story she said this was 'one of the best'. Others would praise it even more highly than that.
