

Pig Tales (Paperback)

By Marie Darrieussecq

FABER FABER, United Kingdom, 1998. Paperback. Condition: New. Main. Language: English . Brand New Book. Pig Tales is a brilliant satirical novel about a stunning young woman working in a beauty massage parlour. She enjoys extraordinary success at bringing home the bacon (in part due to her increasingly rosy and irresistible backside) until she slowly metamorphoses - into a pig. Rejected by her boyfriend, left to wander the sewers and forage for food in public parks, she takes up with a werewolf with insatiable appetites. They share everything (pizza is a particular favourite; she gets the pizza, he gets the delivery boy) until someone alerts the authorities and tragedy strikes ... Gender, politics and social hypocrisy all come under scrutiny in this entertaining and enlightening novel. Pig Tales is a Metamorphosis for the present day, a dark fable of political and sexual corruption, and a grim warning of what can happen in a society without a soul.

It in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
