ARE YOU OR IS SOMEONE YOU LOVE STRUGGLING WITH ADDICTION When it comes to drug and alcohol addiction, it's hard to know where to turn for help. The professionals at the Betty Ford Center--one of the world's leading and most trusted sources of treatment for addiction--have provided thousands with the strength, support, and expertise that substance abusers need to get well. Now, the former medical director of the Betty Ford Center shares that expertise in this remarkably honest and complete book, which answers vital questions that surround this difficult subject: My son seems to be following in his alcoholic father's footsteps. How can I help him? My wife is alcoholic, why do I need treatment? Can the brain recover from cocaine abuse? Even a double dose of my prescription tranquilizers doesn't seem to help. Am I addicted? If I get sober, what are my chances of staying sober? I am uncomfortable with the spiritual aspect of AA. Is there an alternative? Is it true that people who are forced into treatment get nothing out of it? Whether you are ten years sober, a current or potential substance abuser, or you care about someone who is, this volume will help you better understand--and fight--the destructive powers of addiction. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
