The Works of Ralph Waldo Emerson, Vol. 2: English Traits the Conduct of Life Nature (Classic Reprint) (Hardback)

By Ralph Waldo Emerson

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Works of Ralph Waldo Emerson, Vol. 2: English Traits the Conduct of Life Nature A man is a centre for nature, running out threads Of relation through everything, fluid and solid, material and elemental. The earth rolls; every clod and stone comes to the meridian: so every organ, function, acid, crystal, grain of dust, has its relation to the brain. It waits long, but its turn comes. Each plant has its parasite, and each created thing its lover and poet. Justice has already been done to steam, to iron, to wood, to coal, to loadstone, to iodine, to corn, and cotton but how few materials are yet used by our arts The mass of creatures and of qualities are still hid and expectant. It would seem as if each waited, like the enchanted princess in fairy tales, for a destined human deliverer. Each must be disenchanted, and walk forth to the day in human shape. In the history Of discovery, the ripe and latent truth seems to have fashioned a brain for itself. A magnet must be made...

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
