Regionalism and Realism: A Study of Governments in the New York Metropolitan Area (Paperback)

By Gerald Benjamin, Richard P. Nathan

BROOKINGS INSTITUTION, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Drawing on the history of state and local government in the New York Tri-State metropolitan region, the authors present a pathbreaking new theory about the values reformers must understand and balance in order to tackle the hard challenges of reforming and regionalizing local governance in the complex, dynamic world of American politics and public policy. Their examination of the way 2,179 local governments in the Tri-State region have evolved over more than a century pays special attention to New York City, but is applicable to other metropolitan areas. It brings to life ideas that are crucial to a subject that in the academic literature is often treated in a way that is abstract and hard to grasp. This is a valuable book for scholars, political leaders, and students interested in regionalism in metropolitan America and in the fascinating history and governance of the nation!-s largest city and its vast metropolitan region.

Reviews

Unquestionably, this is the best work by any author. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.

-- **Nelson Zemlak**

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
