THE ISLES OF THE MANY GODS: An A-Z of the Pagan Gods Goddesses worshipped in Ancient Britain during the first Millennium CE through to the Middle Ages By David Rankine Sorita D Este The British Isles have long been seen as a place of mystery magic. For many thousands of years successive waves of invaders each brought their own gods goddesses with them, often assimilating the beliefs of the tribes they conquered. The Celtic races merged with the indigenous people, they were conquered by the Romans, who brought with them deities from all over the Roman Empire (including Greece Egypt). After them came the Saxons other Germanic tribes, further adding to the rich tapestry that forms part of our spiritual heritage today. The Isles of the Many Gods brings together, for the first time, information on the worship of these deities in Britain, in an easy to use A-Z. It includes both the native immigrant gods goddesses, from well known gods like Apollo, Brigit, Freya, Herne, Isis, Mars Woden to lesser known ones like Abandinus, Arianrhod, Genii Cucullati, Midir, Vitiris the Wheel God....
