## MASTERING BIOLOGY (3RD REVISED EDITION)

Palgrave Macmillan. Paperback. Book Condition: new. BRAND NEW, Mastering Biology (3rd Revised edition), O. F. G. Kilgour, Peter Riley, The third edition of this text on biology has been fully revised and updated to provide the information required for late-1990's syllabuses. The book provides an interactive element where the readers can focus on the learning objectives, find them easily in each chapter, check their knowledge and understanding by answering the wide-ranging questions and revise their work using the end of chapter summaries. The book can be a primer for students beginning A Level biology after studying an integrated course at GCSE. It should also appeal to further education students.
