*It is one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Abrams, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Living like a true Parisienne starts at home. Interior designer Sarah Lavoine sees the quintessential Paris apartment as a stylish sanctuary from the stresses of life. Covering each room in the home, Lavoine explains her approach to using colour, highlights the indispensable elements of each space, and suggests how to add unforgettable details in order to create a restful and chic environment. With vibrant interior photographs and charming hand-drawn illustrations, Chez Moi is a design handbook that introduces contemporary French style, accented by French-girl-next-door advice on everything from fashion to beauty to cooking to shopping. With her original and useful advice, Lavoine reveals how to create a truly French, meaningful, fulfilling lifestyle, no matter where you live.
