

Community and Society (Paperback)

Filesize: 8.36 MB

Reviews

This pdf will not be straightforward to get started on studying but really exciting to read. it absolutely was written really perfectly and useful. I am just very happy to tell you that this is basically the finest publication i actually have study during my personal daily life and may be the finest ebook for ever.

(Miss Lavonne Grady II)

Dover Publications Inc., United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. A classic in its field, Community and Society was not the first book to explore the composition of, and relationship between, these two types of social groups. Confucius spoke of fundamental social relationships between friends, family members, and rulers and subjects. Similarly, Plato, Aristotle, Thomas Aquinas, and other great thinkers produced clear-cut classical outlines of the two groups. More recently, Ferdinand Tonnies examines the clash between small-scale neighborhood-based communities and the large-scale competitive market society. In doing so, he considered all aspects of life -- political, economic, legal, and family; art, religion, and culture; construction of selfhood and personhood ; and modes of cognition, language, and understanding. One of the first major studies of sociology, this republication of an important work will introduce Tonnies thoughts to a new generation of English-speaking students of sociology, political theory, and the history of European ideas.
