Youcue Feelings: Using Online Videos for Social Learning

By Anna Vagin Phd

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Feelings are a crucial element of social relationships, yet students with social learning challenges (some with diagnoses such as Autism Spectrum, Social Communication Disorder or ADHD) frequently have limited understanding of emotions. Our goal for students with such challenges is for them to acquire social relationship skills that will improve their capacity for effective, fulfilling relationships with family members, people at their school or work, and members of their broader community. This is a large and complicated task. YouCue Feelings simplifies such learning using a relatively new form of storytelling - online videos - to accelerate learning about feelings and relationships. YouCue Feelings includes summaries and titles of 25 wonderful online, easily accessed videos. Each has been selected for its portrayal of rich social relationships and crucial social learning concepts. YouCue Activities, done in conjunction with video viewing, make up the core of the YouCue Feelings program. These activities range from simple drawing projects or discussions about the characters in a YouTube video, to more sophisticated activities such as building connections between the social learning concepts in videos...
