THE MAO AND THE CULTURAL REVOLUTION (PAPERBACK)

Enrich Professional Publishing, Inc., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Acclaimed national researcher Hu Angang presents Mao and the Cultural Revolution, an immensely rich account of the massive political event of 1966-1976 that brought seismic changes to the landscape of New China. A culmination of Mao Zedong's political ambitions, the Cultural Revolution restored his power and prestige as paramount leader, albeit at great costs to the economic and social development to the country. The impact of the movement -- more significantly, the politics that drove it -- deeply influences political philosophy in China today. Hu Angang's work provides a unique perspective and objective assessment of the progression of the Cultural Revolution, focusing on the intraparty politics, the Politburo's international outlook, and the political thought of the Chinese leadership that shaped this pivotal decade.
