Reviews

Here is the greatest pdf i have got read through till now. It typically will not charge excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning when you question me).

Bone Diggers Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Single mom Rachel Hunter has not one second to spare in her day between rearing two daughters, running a thriving goat farm, and keeping tabs on her eccentric brother. Not to mention an ex-husband who is in prison for murder and a local gang leader harassing her at every turn! Then a gorgeous, tattooed man crashes into her fence and she finds out exactly what it means to have her hands full. Pruxnae Dyuvad ab Mhij is sent to Earth by a mysterious Net telepath to protect a young girl, from what, the path doesn't say. He arrives at the girl's home expecting the worst, and is greeted by the young girl's mother, a honey-haired, plain spoken temptress whose mountain fortitude makes her a perfect candidate for the Choosing. Dyuvad's first duty is to his mission, protecting a young girl from dangers unknown. It doesn't take long for the danger to become apparent, however, and soon, he and Rachel are embroiled in a reckless game led by a man who will stop at nothing to control Rachel and her children.
