

## Pitcher Plant: A Pacific Northwest Suspense

By Melissa Eskue Ousley

Filled Vertes Publishing LLC. Paperback. Condition: New. 246 pages. When Tawny Ellis spots a fixer-upper on the Oregon coast, she and her husband jump at the chance to own a cottage near the beach. But as expensive repairs turn their dream home into a nightmare, their marriage unravels. And worse... the house is not quite vacant. Something in the houses dark past remains. Tawny's daughter has a new imaginary friend, and she bears a striking resemblance to a little girl who squatted in the cottage with her drug-addicted mother. After breaking in and camping out, they vanished, and have been missing for years. Now the houses previous owner is enraged with Tawny. As he stalks her family, Tawny suspects she knows what happened to the last people who slept in the house. Her family might be next. A fun read that combines a classic haunted house story with romance and a very creepy serial killer. --Hester Young, author of *The Gates of Evangeline* and *The Shimmering Road* Melissa Eskue Ousley draws you into a drafty, old fixer-upper on the turbulent Oregon Coast with the perfect mix of creaking floors, creepy dolls, and mysterious footprints in the unfinished basement....
