She immediately develops a strong attachment to Zenobia, and reveals her name to be Priscilla. Soon after, Coverdale becomes severely ill and is bedridden. During his sickness, he believes he is on the brink of death and develops a closeness with Hollingsworth due to their anxiety-ridden situation and discussion of worldly ideals. Hollingsworth and Zenobia take care of him, and he returns to health shortly. As he recovers and spring comes, the residents of the community begin to work the land successfully and prove to their neighbors the plausibility of their cause. Priscilla starts to open up, and relationships between the other characters develop...
