This is a work of fiction. All characters depicted are over the age of eighteen. None of the characters are related to each other. This work contains graphic descriptions of sexual acts and may be found to be offensive to some readers. Another hot taboo story from Alicia. She s a typical professional ballerina with the tiniest frame and the most supple body. One day after winning a dance competition her step dad comes to her dressing room to celebrate. He is so excited for her and when she finally tells her of her forbidden feelings emotions and instinct take over! A first time taboo story which is too hot for this page.
