Brand New Book ***** Print on Demand *****.Leaders are often pressured to lead in the way others would have them lead. Although advice and opinions will be numerous they must learn to hear only from the Chief Shepherd, and lead the way He would have them lead. The bible has provided perfect examples of leadership; Moses in the Old Testament and Jesus Christ, in the New Testament. Moses shepherded people for over forty years in the wilderness only to miss out on the Promised Land, in the end. Therefore, a shepherd can t operate on his own preference but must be careful to always follow the prompting of the Holy Spirit. A Shepherd s View is full of encouragement for today s shepherds. There are biblical principles, application worksheets, and humorous and painful life experiences. The goal of this book is to help leaders shepherd after the pattern that God has designed. It is crucial that the leader cares properly for the people of God so they won t miss out on the Promised Land - Heaven. ABOUT THE AUTHOR Rufus K.
