SECOND SUBURB: LEVITTOWN, PENNSYLVANIA (PAPERBACK)**DOWNLOAD**

University of Pittsburgh Press, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Carved from eight square miles of Bucks County farmland northeast of Philadelphia, Levittown, Pennsylvania, is a symbol of postwar suburbia and the fulfillment of the American dream. Contributors consider the community's place in planning and architectural history and the Levitts' strategies for the mass production of housing. Other chapters address the class stratification of neighbourhood sections through price structuring; individual attempts to personalise a home's form and space as a representation of class and identity; the builders' focus on the kitchen as the centrepiece of the home and its greatest selling point; the community's...
