Xulon Press. Hardcover. Book Condition: New. Hardcover. 100 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Embedded in the lines of this book are words that wake the world from a sleep of doom, words that do more than what a psychiatrist can do. We cannot expect the world to be stable if the emotions that people in it feel overwhelm and floor them. There is no wonder why the world seems as if it is going mad; it is. This is a manual that could arm one for life, enlighten the world on the hard truths that could save lives; it will reveal to the world the subtle things for which they perish. Inscribed are words that instill strength in the bones of the human being, a reassurance to the lonely and misunderstood that they are not alone, and generally, portrays the experiences that anyone can relate to. I set out with the intention of bettering the readers of my literature, and for every single one of them, I have achieved this goal. Life is easier to live, more fun to enjoy, more stable and sensible when an understanding is established, when secrets that wreck lives are exposed, when one doesn't have to wait till old age and then say I wish I knew. . . There is more sanity and progress in the society when humans understand the reason for their experiences and life. This explanation adds flavor to their lives and can be found in this highly inspirational portfolio. Using the talents I have, I bring the secrets of joy to the lives of those I encounter, changing the lives of my readers, one word at a time. Will you be one of them? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
