

Tramline Trading: A practical guide to swing trading with tramlines, Elliott Waves and Fibonacci levels (Paperback)

Filesize: 1.96 MB

Reviews

It is an awesome pdf i have possibly go through. It really is filled with wisdom and knowledge You will not really feel monotony at whenever you want of your time (that's what catalogues are for relating to in the event you ask me).
(Horace Schroeder)

TRAMLINE TRADING: A PRACTICAL GUIDE TO SWING TRADING WITH TRAMLINES, ELLIOTT WAVES AND FIBONACCI LEVELS (PAPERBACK)[DOWNLOAD PDF](#)

Harriman House Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A straightforward, winning trading method. There are certain universal chart patterns that are traced out time and time again by markets - these patterns have stood the test of time and can be instantly recognised by a skilled trader. When you learn how to spot these patterns and use them to forecast market action you have the basis of a winning trading method. Tramline Trading is a complete practical guide that shows you precisely how to do this. The Tramline Trading Method described here is a simple and complete system which combines Fibonacci levels, basic Elliott Wave Theory and John Burford's original tramline concepts. It is based on a small number of highly reliable patterns and can be put to use in any market. Every detail of how to put the method into practice is revealed, including how to spot developing patterns for high-probability, low-risk trades, where to place entry orders and stop losses, and the five best setups to look out for. Full colour chart illustrations are used throughout. As well as describing the method in full detail, John Burford also provides day-by-day trading diaries for four-month trading campaigns in gold and the Dow. These invaluable diaries show the mind of the trader as he surveys real-time market action and provide vital insight into how the trading method is used in real trading. If you are looking for a proven trading method that is reliable and easy to execute then Tramline Trading will put you on the right track. It is the essential new guide to a winning trading approach. I can say that Tramline Trading is the best book I have read to date in some 25 years of reading up on the...
