Brand New Book ***** Print on Demand *****.Excerpt from Genealogy of the Allen and Witter Families: Among the Early Settlers of This Continent and Their Descendants Genealogies as well as all other important events in ancient times, were handed down from generation to generation, by tradition, as we see, in the Prophet Joel i. 2, 3. Job xv. 18. Ps. lxxviii. 5, 9. The first written records were made on parchments, but the more common practice in modern times is to write them on blank leaves of the Family Bible, or on Grave Stones. Many of the family records have become obliterated or otherwise lost, and the fact is too evident that many of the present generation had much rather count their dollars and acres, than their ancestors. Genealogy is a science requiring patient, persevering study, in which the student will make but slow progress unless he gives his mind to his work. This Genealogy is compiled by Asa W. Allen, of the Allen and Witter families, (among the early settlers on this continent,) of his own lineage, and of others of his name and their descendants.
