BRIDGET JONES S BABY: THE DIARIES (PAPERBACK)

[DOWNLOAD](#)

Vintage Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. ** The funniest book of the year ** ** The new Bridget Jones novel ** 8.45 P.M. Realise there have been so many times in my life when have fantasised about going to a scan with Mark or Daniel: just not both at the same time. Before motherhood, before marriage, Bridget, with biological clock ticking very, very loudly, finds herself unexpectedly pregnant at the eleventh hour: a joyful pregnancy which is dominated, however, by a crucial but terribly awkward question - who is the father? Mark Darcy: honourable, decent, notable human rights lawyer? Or Daniel Cleaver: charming, witty, notable fuckwit? 9.45 P.M. It s like they re two halves of the perfect man, who ll spend the rest of their lives each wanting to outdo the other one. And now it s all enacting itself in my stomach. In this gloriously funny, touching story of baby-deadline panic, maternal bliss, and social, professional, technological, culinary and childbirth chaos, Bridget Jones - global phenomenon and the world s favourite Singleton - is back with a bump.
