

The Trek to Elysium Chronicles: Volume 1: A Zombie Apocalyptic (Paperback)

By Hugh Richard Williams

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine what you would do if The Zombie Apocalypse, a long time favorite topic of authors in the Zombie genre, finally happened? Would you be prepared at all and have a chance to survive or would you be unprepared and quickly die or become a Zombie? This book is the first of three that I plan to write for this series. It tracks the travels of myself and 3 friends as we attempt to escape the Zombie apocalypse. Our journey begins in Southern Illinois, in a town named Carbondale. We travel across the country attempting to reach Elysium, which one of the larger safe havens in the United States. Along the way we meet new friends and attempt to dispose of new enemies. The apocalypse was caused by a combination of factors. One was our government allowed people with the Nova Virus to come to our country to get help. We are still the only country that allows that. Second, a corrupt (Are there any others?) mega corporation that was given a huge government contract to perfect a vaccine to cure the...
