

The Essential Faith of the Universal Church (Paperback)

By Harriet Martineau

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As Christians addressing Christians, we, whose faith is called Unitarianism, invite you, our Roman Catholic brethren, to join with us in investigating the origin and true nature of that Gospel which we agree in believing worthy of the deepest study, the most unremitting interest, and the highest regard. We agree in believing every Christian to be bound to promote the welfare of his race to the utmost of his ability; and that that welfare is best promoted by the extensive spread and firm establishment of Divine truth. We agree in believing that all other gifts which the Father of men has showered on human kind are insignificant in comparison with the dispensation of grace: or rather, that their value is unrecognised till interpreted by it. We alike feel that the material frame of the universe, fair as it is, is but as a silent picture till a living beauty is breathed into it, and a divine harmony evolved from it by its being made the exponent of God's purposes of grace.
