

## The History of King Richard III (Paperback)

Filesize: 7.25 MB

### Reviews

*This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Prof. Adell Lubowitz)*

## THE HISTORY OF KING RICHARD III (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The recent discovery of the body of King Richard III of England has renewed interest in the earliest biography of him by Thomas More. More left it unfinished, but a continuation was added in the first publication in 1543. Here we have the source of much of Shakespeare's play, and of the subsequent popular image of Richard as one of history's leading scoundrels. It describes a career based on treachery and ruthlessness, prominent crimes being the massacre of his opponents upon seizing power and the murder of the Princes in the Tower (who were his nephews). He is even credited with a plan to buttress his claim to the throne by an incestuous marriage with his niece Elizabeth, sister of the murdered princes. After a couple of tyrannical years, he was overthrown by Henry Tudor to popular rejoicing. A man, in short, deformed in both body and soul.
