

## Understanding Children and Young People: Development from 5-18 Years

By Jennie Lindon

HODDER EDUCATION, United Kingdom, 2007. Paperback. Book Condition: New. 272 x 216 mm. Language: English . Brand New Book. Written by Jennie Lindon, the bestselling Early Years author, Understanding Children and Young People: Development from 5-18 Years is refreshingly clear and readable, and makes the links between theory and practice in a very user-friendly way - this is crucial for good practice. It covers every conceivable developmental issue from 5-18 years, providing excellent coverage of the mid-childhood and adolescent years, including topics such as: - Children and young people in society. What is growing up? What transitions do young people face? - Personal and social development. Identity; friendships and family; play and leisure activities; relationships; part-time work; social, cultural, faith allegiances and possible conflicts - Emotional development and patterns of behaviour. Feelings, thoughts, behaviour, brain development, emotional, moral and spiritual development; educational and other transitions; supportive adults - Communication and thinking. Spoken/written language; communication; cognitive development - Physical growth and development. Physical activity; healthy habits; puberty; pregnancy; sexual awareness/orientation; medical issues - Self-reliance and independence. Responsibility and involvement, making life decisions, independence, transitions into higher education, the world of work, issues of unemployment - Vulnerability in childhood and adolescence. Personal...

### Reviews

*This written publication is wonderful. It can be written in straightforward phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.*

-- Jesse Tremblay

*The publication is straightforward in style safer to recognize. It is written in straightforward words and never hard to understand. It's been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.*

-- Percy Bernhard
