ASCD. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.8in. x 5.8in. x 0.4in. Teacher-Centered Professional Development is a thorough, hands-on guide to collaborative skill building for educators. The book is centered on the authors Teachers Choice Framework: a model that empowers teachers by helping them choose and initiate professional growth activities according to their schedules, strengths, and needs. Most of the chapters in the book are devoted to different professional development strategies, including mentoring, action research, and journal writing. For each strategy, the author includes: A brief history of the research base A step-by-step guide to implementing the strategy Sample handouts and assessment forms Examples from the field of the strategy in practice With this book, teachers at all levels can quickly learn how to set up development teams, conduct action research, and engage in other activities to further their skills. In addition, the Teachers Choice Framework helps educators prioritize their needs and choose the strategies that best suit their individual criteria. Clearly written and practically organized, this book offers both a perfect introduction to staff development options and a commonsense method for choosing among them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
