Too many of us live our lives trying to shoehorn our many activities and responsibilities into too few time slots available. Increasingly for business people, fathers and mothers, even kids(ineffectively) managing the myriad of activities has become an all-consuming chore. And were so stressed that our relationships and job performance suffer.Why? Because we organize our time and our lives poorly: We spend five years of our lives waiting in lines, three years in meetings, and two years playing telephone tag! We get interrupted 73 times per day, interfering with our productivity, and take an hour of work home every night, interfering with our family time.But we can solve these problems. This book presents 151 quick and easy ways to meet these challenges in our daily lives. Each idea comes from the real world experiences of people like youpeople who are experimenting with, examining, and discovering unique solutions to the time problems all of us face every day. These tried and tested ideas work! And now they are available to you. Select those that fit your particular circumstance and try them out! Here are a few: Start Your Day the Night Before Undercommit and Overdeliver Organize Your Workspace Block Contingency Time Every Day Use Voice Mail as a Call Screener Fight SPAM with an E-mail BlockerDo more in less time, take control of your schedule, and create a new balance between your work and your family life. Youll be surprised at how easy it is to take charge of your time and increase your quality of lifeday by day, hour by hour, minute by minute.
