It is no secret words of arguably the most powerful tool we have in our quest to master what can be defined as effective communication. Words give stature to those scored or condemned because of lack of worldly and materialistic items. Self-Expression in Poetry is a compilation of poems with an array of topics the normal, everyday people discuss. The fact is, everyone should have either the ability or resources available to them to effectively express their thoughts. Poetry offers a different approach to bridging the gap in our communication efforts. The fact that we have different methods of expressing ourselves serves as a reminder that we are all unique and Self-Expression in Poetry is an exciting source about poetry and self-expression.
